

## Transportation

### AIR SERVICE

The Town of The Pas operates its own municipal airport at Clearwater Lake, providing airport services for both scheduled and charter air operations. Calm Air and Bearskin Airlines are the scheduled air passenger service providers for the region, operating at both The Pas Airport and Flin Flon Airport. There is also a landing airstrip at Grace Lake Airfield just outside of The Pas for charter and governmental air services.

### BUS & RAIL SERVICES

Grey Goose is the sole passenger bus service provider for major communities in northern Manitoba including The Pas, Flin Flon and Thompson. Scheduled day and night bus service is available between The Pas and Winnipeg as well as The Pas and Thompson.

Omni Track, the parent company of Hudson Bay Railway, provides freight rail service to The Pas, Flin Flon, Thompson and Churchill. HBR is headquartered in The Pas. VIA Rail runs scheduled passenger train service ( 3 times per week), connecting the south with communities in northern Manitoba, including The Pas, Churchill, a major ecotourism destination in Manitoba, as well as all places in between.

### FREIGHT CARRIER AND COURIER SERVICES

Freight carrier service in The Pas is handled by Gardewine North and Forest Moving. There are also a number of motor carrier companies servicing the surrounding communities, including Reimer Express Ltd., Risdale Trucking and Northern Bulk.

Courier service is available through Parcel Plus, U.P.S, Grey Goose Bus Lines, Gardewine North and Purolator Courier. Priority Post service is available from Canada Post Corporation.

### TAXI SERVICE

Taxi service in town is provided by Cal's Cabs Ltd.(623-3477), George's Cabs (623-7733) and City Cabs (623-2500). Handi-Van service is available from The Pas Handi-Van Inc (623-2036).
